

The **Daniel B. Fambro Student Paper Award** is awarded annually for a significant paper prepared by a student member of ITE. The award honors the work of Daniel B. Fambro, who was a professor at Texas A&M University and an associate research engineer at the Texas A&M Transportation Institute and passed away in 1999. In naming the award in Dan's honor, ITE recognizes his exemplary service to ITE, and his dedication to his students and the profession. The purpose of the award is to encourage ITE student members to conduct and report on independent and original research and investigation of transportation subjects and to provide a means for recognizing outstanding accomplishment in this area.
