MY PLATFORM

- Leverage my commitments with Women in ITE, WTS, APTA, and TRB to increase collaboration opportunities
- Increase outreach to K-12 and university students
- Grow volunteer opportunities statewide
- Support Sections and Chapters through recurring communication and activities

ABOUT ME

- My first priority is always my son.
- I love to ride my bicycle on the Pinellas Trail, dance to any kind of music, paint acrylic on canvas, and grow various plants including pineapples, plumeria, and many cacti.
- I am most passionate about improving safety, fighting to end human trafficking, and attracting girls and women to the transportation industry.
