Senior Transportation Planner / Engineer

MetroPlan Orlando, the metropolitan planning organization for Orange, Osceola and Seminole Counties, is looking for an experienced Senior Transportation Planner or Engineer who will lead and oversee high-priority planning and project development studies by managing teams of consultant planners and engineers. This new full-time position will report to the Director of Transportation Planning.

Essential Functions

- Responsible for the on-time and on-budget delivery of transportation-oriented projects.
- Provide professional assistance and technical expertise for all MPO transportation related projects and initiatives.
- Manages and implements all aspects of the MPO's corridor planning and project development program. Projects to be managed may include, but are not limited to, roadway/complete streets, pedestrian and bicycle improvements, transit projects, and other safety or mobility related projects.
- Prioritizes, schedules, and prepares annual corridor planning/project development budget for the Transportation Planning Department.
- Coordinates or participates in transportation activities with other municipalities and outside agencies, and may represent the MPO on various boards, subcommittees, and task forces as assigned by the Department Director.
- Responds to citizen inquiries; represents organization at various events, functions, or meetings.
- Assists in developing and maintaining positive working relationships with governmental agencies, transportation operating agencies, and the business community.
- Provides staff support to advisory committees and various subcommittees.
- Travel to and from various regional project locations and other government agencies.
- Provides top quality customer service to everyone doing business with MetroPlan Orlando.
- Other duties and responsibilities as assigned.

Minimum Qualifications

- Master's degree from an accredited college or university in civil engineering, transportation planning or related field and three (3) years of experience; or a Bachelor's degree and five (5) years' experience in related field with a concentration in transportation planning and/or engineering; or may substitute an equivalent combination of education and experience.
- PE encouraged.
- AICP encouraged.
- Valid driver's license required.

Salary & Benefits

The position offers a competitive salary and an excellent fringe benefits package, including health insurance, retirement planning, and paid time off. MetroPlan Orlando is based in beautiful downtown Orlando, with convenient access to the Church Street SunRail Station, nearby Lymmo service, a LYNX bus stop at the front door, and secure bicycle and vehicle parking.

How to Apply

Send a cover letter and resume to: hr@metroplanorlando.org OR Director of Finance & Administration, MetroPlan Orlando, 250 South Orange Avenue, Suite 200, Orlando, FL 32801. Completion of a MetroPlan Orlando employment application form will be required of those selected for interview.

MetroPlan Orlando is an equal opportunity employer, a drug-free workplace, and a tobacco-free workplace. It is the policy of MetroPlan Orlando that all applicants selected for employment must sign an Affidavit for Non-Use of Tobacco Products in order to be hired. The non-use of tobacco products must have been for a period of at least six months immediately preceding application for employment; and must be maintained and continued for the duration of employment with MetroPlan Orlando.

All applications must be received by April 7, 2023. Open until filled.
